

Can't Blame Me ©2022 Garrett Clevenger

{ F C G } Repeat

Chorus:

F C G Let it pass, I guess.
F C G It'll come to rest. In the
D morning with the
C dawning
C F G comes a new day.
C F G Let it pass away.
C Don't let the
F past day make you
G C break.

G C x3

G C There's a weight on my
G C shoulder.
G C Feels like a
G C boulder.
Am Break out the
E sledge.
E Hammer 'til it's
Am dead.
Dm Ain't much more
C satisfying then to
F C G break it all away. I
G F C forgot what I was saying.
F C Can't blame me for
G trying.

F C G x4

Chorus:

F C G Let it pass, I guess.
F C G It'll come to rest. In the
D morning with the
C dawning
C F G comes a new day.
C F G Let it pass away.

C Don't let the
F past day make you
G C gray.

G C x3

G C Another gray hair on my
G C head.
G C Better than being
G C dead.
Am Maybe each one's a
E problem
E better left un-
Am solved, but
Dm where, oh, where is
C my hair dye to
F C G cover up the future
G F C I got a face?
F C Can't blame me. It's the
G C race.

G C x3

Dm

F

C F G G F C x2

C F G How do we know
G F C what we want to show is
C F G seen by the ones
G F C we want to know
C F G we want there to
G F C be repair when
C F G things ain't square but
G F C left thread bare.
F C Maybe being naked is only
G C fair.

G C x3

G C Someone said something some-
G C where.
G C Misunderstood, it caused a
G C scare.
Am A domino when
E misaligned
E can be a blessing
Am in disguise and
Dm disrupt the cor-
C rupting force that
F C G pushed the dominoes
G F C turning friends to foes.
F C Can't blame me. Just how it
G C goes.

G C x3

G C x2 Can't blame me.
G C x2 I am just a weed
G C x2 growing where I can.
G C x2 Can't blame me or command. Can't blame
G C x2 me. Can't blame
G C x2 me.
G C Like a tadpole swimming in a pond I'm
G C born to grow into a frog.
G C x2
G C Like a banjo picker in a band
G C playing second fiddle still deserves a hand.
G C x2 Like
G C anyone anywhere anytime
G C might be accused of a false
G C crime.
G C Can't blame
G C x2 me.
Jam
G C Can't blame
G C me.
G C Can't blame
D me.
