A One, two, three elephants I see
A or are they like mammoths,
E just a story.
G Maybe they're long-gone
A froggies.

A Four, five, six fish on the list
A or are they insects recent-
E ly dismissed.
G Clearly it's us who can't
A x2 coexist.

Chorus:

D E Life is a menager-
A ie.
D E It's not just you and
A me. We're
G surrounded by
A creatures we
E need.
D

A Seven, eight, nine snakes on the line
A could be bats or birds booted
E from nature's shrine.
G Mission failure. They are
A out of time.

A ABC through XYZ,
A so many are now just
E history,
G not philosophy. It's
A x2 reality.

Chorus:

D E Life's losing the
A menagerie.
D E Hopefully not also you and
A me. We're
G surrounded by
A creatures gone
E extinct.
D

A x2 Creatures we
D x2 need. Creatures we
A x2 need. Creatures we
E need. Creatures we
D need who need you and
A x2 me.

A Three, two, one then they'll be none
A when everything is said and
E done.
G No one to sing or
A hear this song.

A On your marks, get set, let's go.
A It doesn't gotta be this
E way you know.
G There's still time to change the
A x2 road we're on.

Chorus:

D E Life is a menager-
A ie.
D E It's not just you and
A me. We're
G surrounded by
A creatures we
E need
D and who need you and
A x2 me. Creatures we
D x2 need. Creatures we
A x2 need. Creatures we
E need. Creatures we
D need who need you and
A x2 me.
