## **Chorus:**

**B7** I don't give a shit about it.  
**B7 F#** Don't give a shit about it. I  
**B7 E** don't give a shit about it.  
**B7 F# E** I don't give a shit.  
**E**

**A** Bible thumpers  
**D** knock on my door  
**Bm** selling fairytales  
**F#** about their lord.  
**A D** Fanatic obsession.  
**Bm F#** I so admit I  
**B7 E** don't give a shit about  
**F#** it.

**A** I tell them Creation  
**D** can use their help.  
**Bm** Wouldn't God be mad  
**F#** if it became hell? They  
**A D** stare at me blankly, a  
**Bm F#** bit half-nitwit. They  
**B7 E** don't give a shit about  
**F#** it.

## **Chorus:**

**B7** They don't give a shit about it.  
**B7 F#** Don't give a shit about it. They  
**B7 E** don't give a shit about it.  
**B7 F# E** They don't give a shit.  
**E**

**A** Between the outhouse and the  
**D** old landfill my  
**Bm** family made our home  
**F#** after it all fell.  
**A D** I often wonder  
**Bm F#** seeing all the shit  
**B7 E** did the peeps who left  
**F#** care about it.

**A** A busted up billboard  
**D** ravaged by time  
**Bm** pitches a space cruise  
**F#** to, "Blow Your Mind!"  
**A D** A popular venture  
**Bm F#** before it all quit. I  
**B7 E** don't give a shit about  
**F#** it.

## **Chorus:**

**B7** I don't give a shit about it.  
**B7 F#** Don't give a shit about it. I  
**B7 E** don't give a shit about it.  
**B7 F# E** I don't give a shit.  
**E**

## **Verse jam**

**A** Jesus made it, at last.  
**D** Walked upon the rubble. "I  
**Bm** "should've shown up sooner.  
**F#** "Sorry for the trouble."  
**A D** Showed me snapshots from Saturn and  
**Bm F#** the cosmic cockpit. I  
**B7 E** don't give a shit about  
**F#** it.

**A** His groupies surround him for  
**D** selfies and, "Group hug!"  
**Bm** He asks, "Why'd you trash your home!?"  
**F#** They answer with a shrug.  
**A D** Waving their Bibles  
**Bm F#** to which they commit. He blurts,  
**B7 E** "I don't give a shit  
**F#** about any of it!"

## **Chorus:**

**B7** He don't give a shit about it.  
**B7 F#** Don't give a shit about it. He  
**B7 E** don't give a shit about it.  
**B7 F# E** He don't give a shit.  
**E**

**B7** Let's give a shit about it.  
**B7 F#** Give a shit about it.  
**B7 E** Give a shit about it.  
**B7 F# E** Let's give a shit.  
**B7 E F#** Let's give a shit.  
**B7 F# E** Don't not give a shit about  
**B7** it.
