## **Chorus:**

**C G** Luckily, I'm in charge  
**F C** of this place.  
**C F C F** Of this place, I'm in  
**G** charge.  
**F G** Ain't nothing you can do to  
**F G C** take me away.  
**F G** though I'm unfit by and  
**F** large. Just a little bit.

**G** I'm your boss from Hell. You  
**C** know you love me. I  
**G** could be a good one but  
**F C** that's not what you'll see.  
**F G** Anyone would be better  
**G F** being the chief,  
**F** but  
**G** I'm not here to bring relief.

## **{Chorus}**

**G** I might run the military  
**C** or your local school. Just  
**G** because I'm incompetent that  
**F C** don't make me a fool.  
**F G** Somehow I got the gig. I  
**G F** guess I must be shrewd  
**F** or  
**G** just a very lucky dude.

## **{Chorus}**

## **Bridge:**

**F**  
**F G**  
**F** I'm in charge.  
**F G** All that really matters is I'm in charge.  
**F** I'm in charge.  
**F G** All the time and always I'm in charge.  
**F** I'm in charge.  
**F G** All you need to know is I'm in charge.  
**F G** All you need to know is I'm in charge  
**F G** though I'm unfit by and  
**F** large. By quite a bit.

**G** No one deserves to have a  
**C F C** crappy boss.  
**G** What a loss of just oppor-  
**F C F C** tunity cost.  
**F G** Not to mention resentment that  
**G F** eats away morale.  
**F** E-  
**G** nough to make anyone yell!

## **Chorus:**

**C G** Luckily, I'm in charge  
**F C** of this place.  
**C F C F** Of this place, I'm in  
**G** charge.  
**F G** Ain't nothing you can do to  
**F G C** take me away.  
**F G** though I'm unfit by and  
**F** large. But way better than you!
