**G Em**        Leeches    come  
**G**                creeping.    See them  
**Am B7 C B7**    slinking.    Feel them  
**Em**                leeching.

**G Em**        Sucking.    Always  
**G**                sucking.    Bloody  
**Am B7 C B7**    pumping.    Body  
**Em**                plumping

**Chorus:**  
**B7 C D C**        Watch out watch out watch out for the  
**Em**                leeches  
**C B7 Am D**        or you might be sucked dry. Hear your  
**Bm B7**                screeches.

**G Em**        Parasite        give us a  
**G**                fright.  
**Am B7 C B7**    Stay outside    of my  
**Em**                body.

**G Em**        Once inside    cellular  
**G**                override.        Hijacked  
**Am B7 C B7**    DNA                explode  
**Em**                all the way.

**Chorus:**  
**B7 C D C**        Take out take out take out    the silver  
**Em**                bullet.  
**C B7 Am D**        Don't let the suckers live.    Stand and  
**Bm B7**                fight it.

**G Em**        Fungal spores    sprout  
**G**                and engorge.  
**Am B7 C B7**    Mushrooms grow spreading  
**Em**                to and fro.

**G Em**        Animals        squabble  
**G**                for control.  
**Am B7 C B7**    Fight or flight    on the  
**Em**                left and right.

**Chorus:**  
**B7 C D C**        Shout out shout out shout out    to the  
**Em**                decayers  
**C B7 Am D**        breaking down the dead weight    and  
**Bm B7**                layers.

**G Em**        Leeches        come  
**G**                creeping.        See them  
**Am B7 C B7**    slinking.        Feel them  
**Em**                leeching.
