**G Bb G** I'm in my girlfriend's to treehouse.  
**G Bb G** Don't you tell her daddy.  
**G Bb G** We left school early.  
**G Bb G** We got Chemistry.

**C Eb C** She's doin' a dance,  
**G Bb G** holdin' my hands.  
**C D** I watch her body bounce  
**G Bb G** like a branch. I'm aroused.  
**C D G** I'm in my girlfriend's, my girlfriend's treehouse.

**G Bb G** I'm in my girlfriend's to treehouse.  
**G Bb G** It's my very first time.

**C Eb C** I don't ever wanna leave.  
**G Bb G** It's like a penthouse  
**C D** wedged between the limbs,  
**G Bb G** like my mind in her blouse.  
(Doh! Did I say that out loud?)  
**C D G** I'm in my girlfriend's, my girlfriend's treehouse.

**Chorus:**

**Bb** She asks me, "Will my love go?"  
**Db** I say, "Like a tree it'll grow."  
**E** "Growin' stronger. You will find  
**G D G** I've got wood to burn to love you long time."

**G Bb G** I'm in my girlfriend's to treehouse.  
**G Bb G** We're breakin' the rules  
**G Bb G** she made with her girlfriends  
**G Bb G** Now she's made me her fool.

**C Eb C** I hope her frame is sturdy  
**G Bb G** 'cause she likes to roughhouse.  
**C D** But if it comes crashin' down  
**G Bb G** I won't be wearin' a frown.  
**C D G** I'm in my girlfriend's, my girlfriend's treehouse.

**Chorus:**

**Bb** She asks me, "Will my love go?"  
**Db** I say, "Like a tree it'll grow."  
**E** "Growin' stronger. You will find  
**G D G** I've got wood to burn to love you long time."

**G Bb G** I'm in my girlfriend's to treehouse.
