

## Sweet Music

©2008 Garrett Clevenger

A E G A What made you get up from bed to face the day?  
A E G A What do you love more than anything?  
D G A What do you dream when you're sleeping?  
D G A What do you hear when you're awake?

A E G A What's the way you think you're thoughts?  
A E G A What do you hope I brought?  
D G A What makes you move your body?  
D G A What makes you sing this way?

### **Chorus:**

E D A I can tell you my answer is music.  
G A More sweet music.  
G A More sweet music.

A E G A What is the original language?  
A E G A What's been sung and heard throughout the ages?  
D G A What's been comin' from the birds?  
D G A What's way more than simple words?

A E G A What's all around the universe,  
A E G A where there's a chorus and we're all versed?  
D G A What's the way to harmony?  
D G A What's the way we oughtta play?

### **Chorus:**

E D A We can hear the answer in music.  
G A More sweet music.  
G A More sweet music.

A E G A What makes silence balance sound,  
A E G A bringing dynamic, makin' it round?  
D G A What's just different frequency,  
D G A sometimes in a different key?

A E G A What's at the climax when tension's released?  
A E G A What's in its place, leaving peace  
D G A when the silence comes again?  
D G A What's all one song in the end?

E D A I can tell you my answer is music.  
G A More sweet music.  
E D A We can hear the answer in music.  
G A More sweet music.  
G A More sweet music.  
G A

### **Jam**
