{Am riff 1}{F}{C G }{E}

Am F “Welcome to Java Joe’s. We got the anecdote.”
C G “True. I’ll take a large, triple espresso.”
Am F “Here, ya go. Have a nice day. See you tomorrow.”
C E “No, you won’t. I’m headin’ to Mexico.”
Gm Am “Gonna visit the tropics. Got my route mapped out.”
Bb F C “I love the rain forest. Thanks for the take-out!”
Gm Am Made my way through traffic. Almost missed the plane.
Bb C D Bought a coffee to boost my drained brain.

{Am}{F}{C G }{E}

Am F “Welcome aboard Fair Airline. Have a nice flight.”
C G “We’ll be touching down before you know.”
Am F “May I get you something,” asks the stewardess.
C E “Just some java, please.” “Sure! Here you go.”
Gm Am A burst of turbulence shakes the cabin ‘round.
Bb F C Spillin’ my coffee. Makin’ me frown.
Gm Am Guess I best instead get some shut eye.
Bb C D Next thing I know, we’re taking a dive.

Chorus 1:

C Bb Am G Oooo, oooo, taking a dive.
C Bb Am G Oooo, oooo, taking a dive.
F G Am We pull out in the nick of time.

Jam one verse and chorus

Am F “Welcome to Mexico. Sorry for the bumpy ride.”
C G “At least we made it here alive. Ha ha.”
Am F Grab my bags. Rent a car. Hit the road. Away I go
C E and stop to grab some Joe, it’s the law.
Gm Am Stop and Go congestion gives me indigestion.
Bb F C Caffein just gives me crawly skin.
Gm Am Then the countryside opens up wide.
Bb C D Miles of plantations fill my eye.

{Am}{F}{C G }{E}

Am F Welcome to the place where your coffee’s grown.
C G This used to be a forest not long ago.
Am F Up ahead in the air plumes of smoke take a shape.
C E Burnin’ up the jungle to make more. Doh.
Gm Am Another coffee shop opens up the block
Bb F C as this song plays. Add one to the stock.
Gm Am Guess I best be wise. Open up my eyes
Bb C D and see the world’s taking a dive.

Chorus 2:

C Bb Am G Oooo, oooo, taking a dive.
C Bb Am G Oooo, oooo, taking a dive.
F G Am Will we pull out in time?
